

# *It's a fact:*

Communities improve because of the women who wear the hats!  
So we gratefully tip ours to all those members whose efforts  
for the past 40 years have truly made a difference.

Fujifilm Medical Systems U.S.A. Inc. is a proud supporter of  
the 9th Annual Mother's Day Luncheon sponsored by the  
Bergen County, New Jersey Chapter of The Links, Inc.,  
now celebrating its 40th anniversary.
